CONDENSED MILK FACTORY. City Council Session - Capid's Busy Week-Beef Cattle Shipments. Special Correspondence.

Logan, March 19 .- The proposed con-

densed milk factory is practically assured. The sum of \$60,000 will be required to capitalize the institution and of this amount \$45,600 has already been obtained. Mayor Hansen, who has the factory in hand, and who will be the general manager of the institution, is one of the heaviest stockholders, and his creameries located in and adjacent to Logan will be merged into the new enterprise, in order that the foundation for a good supply of milk may be as-sured. The buildings will be erected sured. The buildings will be elected during the coming summer, and it is hoped to have the factory in condition to begin work by Oct. 1. The plant's capacity will be 100,000 pounds of milk per day, and as none but the purest lived. and best milk will be used, one-third more than the present price will be paid for the liquid. The creameries pay for the liquid. The creamerles pay from 10 to 90 cents per hundred pounds, whereas for condensed milk uses, from \$1.00 to \$1.25 will be paid. It is necessary that the utmost cleanliness be ob pay for their extra pains in this respect. Logan is an ideal place for the factory, as we have here vast pasturage

Special Correspondence. Santaquin, Utah Co., March 20.—At 8 o'clock this morning our young friend and brother, Parley L. Gundersen, son of Mr. and Mrs. Matias Gundersen, succumbed to injuries received in an accident which befel him on the evening of the 18th, when he fell from the roof of his father's barn upon a sharp board, which pierced his abdo-men. Medical attendance was summoned immediately after the accident and everything was done for him that love and science could suggest, but all in vain. His parents and their family are overwhelmed with grief. The sympathy of the entire community goes out to them in their sad bereavement.

Danger of Colds and Grip.

The greatest danger from colds and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases we have yet pneumonia, which shows conclusivethat it is a certain preventive of that dangerous disease. It will cure a old or an attack of the grip in less time than any other treatment. It is asant and safe to take. For sale by all druggists.

DISTRICT COURT CASES. Duty of Irrigating Water Fixed Mount Pleasant Segregation.

Manti, Sanpete Co., March 20.—The decision in the case of Spring City et al vs The Spring City irrigation company, heard last week, was rendered by the court yesterday. It is a voluminous affair, covering 10 typewritten pages, and goes exhaustively into the merits of the case. The duty of water is fixed at seven acres to the second foot.

An action brought by the State of Utah vs Michael Jensen for the larceny of water came on yesterday afternoon on appeal from the justice's court of Gunnison. Upon presentation of the state's evidence the court determined that the action of the defendant lacked

the important element of criminal in-tent, and ordered him discharged. A petition asking for the dissolution of the Fountain Green Irrigation district was denied for the present, his honor finding that the proper procedure had not been taken in relation to the calling of meetings for the purpose of considering the matter, nor had notices in legal form been given.
